The ETF for Contract Terms less than 2-years is prorated (i.e., the ETF for a 1-year term is \$75), with the same \$6.25 per month reduction for each full month completed. If your pricing is based on a bundled package of Service, downgrading, canceling or disconnecting any Service within the bundle may, in addition to an ETF, result in increased pricing for the remaining Services. If Equipment is damaged, destroyed or lost while in your possession, or if you fail to return Equipment upon termination of Service, you may be charged an equipment recovery fee (“**ERF**”) up to the full replacement cost of the Equipment. ETFs and/or ERFs are cumulative and in addition to any other charges or fees you may owe us and any fees or charges that we may charge upon cancellation or disconnection of Service.

You may, within fourteen (14) days of your receipt of notice of any such change, cancel your Service Agreement; provided that, if you are under a Contract Term, any otherwise applicable ETF will be waived if the communicated change would increase the price of Service or materially adversely impact your rights under your Service Agreement. If you elect not to cancel your Service Agreement and continue to use Service after receiving notice of any such changes, your continued use of Service will constitute acceptance of the changed terms and conditions.
